## **Snowmobiler triggered wind slab on Buck Ridge**

Buck Ridge Northern Madison 12/16/2018 Code HS-AMu-R2-D2-O Elevation 9400 Aspect N Latitude 45.18210 Longitude -111.41300 Notes

This avalanche was around the corner from the <u>snowpit</u> we dug in 2nd Yellowmule. It looked as though it was triggered about the same time we were digging. The <u>slide</u> failed on near-surface facets that formed 10 days ago that are underneath a hard <u>slab</u> of wind-drifted snow.
