

Skier Triggered Avalanche in Beehive

Beehive Basin
Northern Madison
1/6/2019
Code
SS-ASc-D1
Latitude
45.33970
Longitude
-111.39500
Notes

From email: "We did set off one small [slide](#) on a steep slope skiing back into Beehive from the Middle Ridge. It was approximately 1 foot deep, 20 feet across and ran ~50 feet. It was very predictable and my partner got it to run after stomping on the slope."
