

View of large slide in Tepee

Date

Sun, 02/11/2024 - 01:25

From FB 2/10/24: "Another view of White peak south along ridge in UPR TeePee basin [slide](#) from wailer this week. Looked like was from a rider earlier this week. This view was from the slopes south of Lee Metcalf Wilderness boundary looking toward SW."

Region

Southern Madison

Location (from list)

Tepee Basin

Observer Name

Aaron Vaughn
