

Avalanche Sheep Mountain

Date

Fri, 02/16/2024 - 15:05

Activity

Snowmobiling

From email: "Was in round lake was visiting with a guy in the warm up shack. He said he caused a decent size avalanche on the sheep mountain side.

It was roughly 100 feet wide, he was hit by the avalanche but didn't get buried."

Region

Cooke City

Location (from list)

Sheep Mountain
